November 28th 1912
1955

ON THIS DAY!

On this 28th of November we commemorate the 43rd anniversary of our Independence proclaimed at Vlore on November 28, 1912. It is a Great Day, a Holy Day for our Nation, a day registered twice in the annals of our history. The 28th of November reminds us of freedom and the beginning of the National Epoch of Skenderbey, the great King of Albania. It is a Holy Day which unites all Albanians. The evil forces of the present regime of Albania have denied our Nation the right to commemorate this great day. The Albanian refugees in the Free World commemorate it in an atmosphere of brotherhood and hope, while the ruling clique of Albania has replaced the greatness and meaning of this day by that of November 29th which is in actuality the day of enslavement of our Nation and people. Notwithstanding, the Albanian people have not forgotten the meaning and importance of this day the 28th of November and will cherish deep in their hearts and souls the significance and importance of the two Novembers: that of Kruj 1443 and of Vlore 1912.

The organizes the celebration of this day all over the Free World wherever there are Albanians, and as always the Albanian emigration will be honored by many important foreign personalities taking part in these celebrations.

The whole Free World, especially the people of the U.S. appreciate the Albanian virtues and qualities, and their sacrifices during their long history, as well as the sacrifice they are making in order to regain the Independence and State of Albania from that by the regime of Muammer Gadhafi and the other fascists still existing in our country.

ALBANIANS: UNITE IN PROTEST AGAINST THE REFUSAL OF THE TIRANE REGIME TO
ACCEPT THE U.S. FOOD OFFER!

Albanians, Brothers and Sisters! As you know the Tirane Communist clique has refused the generous U.S. offer of a million dollars worth of food for the Albanian people. The Communist regime has tried to deceive the Albanian people concerning the facts of this offer by telling you that the American officials want to distribute this food and interfere in Albanian internal affairs. ~~WHAT A LIE!~~ The fact is that the TWO CARRIERS, TWO
Airlift was designated to distribute this food, and that East Germany, Czechoslovakia and Hungary accepted similar food gifts from the U.S. which were distributed by the International Red Cross in these three countries with absolutely no charge of interference ever coming up.

Albanian people! It is possible to show dissatisfaction with the actions of the regime and escape punishment by doing it in a peaceful united manner. The Albanian people must all write letters to the Communist officials and newspapers demanding the food offer be accepted. The Albanian people must join together in the political meetings and ask: "Why is it that East Germany, Czechoslovakia, and Hungary were allowed to accept the U.S. Food Offer while Albanians and their children starve?"

ALBANIAN PEOPLE! ONLY A DEDICATED AND UNITED PEOPLE CAN EVER WIN
POWER AGAINST THEM. STRENGTH IN UNITY.
